

DRESS CODE GUIDELINES

Our dress code helps our teachers clearly see each dancer's alignment and technique so they can make proper corrections. Please help us by following these guidelines each week!

BALLET

- * Pink, caramel or light suntan tights
- * No underwear under leotards
- * Solid color leotard
- * Dance skirts are acceptable

TAP, JAZZ & CONTEMPORARY

- * Leotard or bra top
- * Dance shorts or briefs
- * Dance pants or leggings
- * Tights are optional

HIP-HOP

- * Shorts, pants or leggings
- * Tank, t-shirt or bra top
- * **Clean sneakers** - designated for hip-hop only
- * No jeans or jean shorts

HAIR

Hair should be **neatly secured up and off the neck** in a bun, ponytail, or braid. Short hair should be secured with a cloth headband or clips. This allows teachers to properly see body alignment and technique.

Please keep extra hair ties, pins, and clips in your dancer's bag.

A FEW IMPORTANT REMINDERS

- Please label **all belongings** with your dancer's name.
- Every dancer should have a labeled dance bag, and belongings should be kept inside it during class.
- **No jewelry**, except small stud earrings.
- Dance shoes are **studio-only** and should never be worn outside. Street shoes are not permitted on our dance floors.
- Hip-hop dancers should change into a clean pair of sneakers once inside the studio.
- Dancers ages 10+ should please wear deodorant. Keeping an extra stick in the dance bag is always a good idea!

Thank you for helping us keep our dancers safe, prepared, and ready to learn each week! ❤️
