

DRESS CODE GUIDELINES

Please adhere to the dress code. It is in place so that the teachers may easily see the students body's so that proper corrections can be made. This will be enforced throughout the season. If your child is not dressed properly, they may not be permitted to dance.

BALLET

- * Pink, caramel or light suntan tights (no bare legs)
- * No underwear under leotards!
- * Solid color leotard
- * Dance skirts are acceptable

TAP, JAZZ & CONTEMPORARY

- * Leotard or bra top
- * Dance shorts
- * Dance pants or leggings
- * Tights are optional

HIP-HOP

- * Shorts, pants or leggings
- * Tank, t-shirt or bra top
- * Clean sneakers - no bare feet or just socks
- * No jeans or jean shorts

HAIR

All female students MUST have their hair neatly pinned and secured up off their necks in an acceptable bun, ponytail or braid. If the student's hair is too short to wear in a bun, please wear an elastic cloth headband or hair clips. There are practical reasons for this, as well as aesthetic ones. Body alignment is critical in ballet, and the instructor must be able to see the line of a student's body from the ears, the back of the neck, and down the spine. Hair not up and off the neck can prevent this. Please keep an extra set of hair supplies in the student's dance bag at all times.

All of the student's belongings must be marked with the student's name. Every student should have a dance bag with their name clearly marked. All belongings must fit into the student's dance bag while the student is in class. Please do not leave belongings scattered in the waiting room.

NO JEWELRY!!! Very small stud earrings are the only jewelry allowed in dance class.

Dance shoes are to be worn only in the studio. For the safety and enjoyment of the dancers we have installed a state of the art, sprung dance floor and its surface can be damaged by dirt. No street shoes are allowed on the dance floor. Please do not allow your child to wear their dance shoes outside.

Also, please use your discretion concerning deodorant. Your children are at the studio dancing and they get sweaty!!! I suggest buying a stick of deodorant to keep in their dance bag. Any child over age 10 should be wearing deodorant.

Please adhere to the rules. They are in place for the safety and improvement of your child.

Thanks!!
Amber

*The Tight Spot in Beaver is a dance store that carries all these items. They are closed Sunday and Wednesday. The address is 546 3rd St, Beaver
